

VISION

Equipping Youth for Fullness of Life.

John 10:10

YouthWorks-Detroit equips youth to love God and others through a life of Christian service and leadership. We serve as a bridge, uniting Christians from different cultures and traditions.

John 17:21

YOUTHWORKS-DETROIT PROGRAMS

Throughout the year, groups of youth from outside the city are invited to come into the heart of Detroit for a mission experience.

By serving and being served, Detroit residents and Urban Encounter missionaries have their hearts changed and eyes opened to more of what God is doing in His kingdom. Each group participates in home improvement projects for low income residents, contributes at homeless outreaches, and is challenged to grow in relationships, faith, and love for others.

The Bezael Project is an after-school academic, arts, and leadership training program serving children in grades 2-8. Participating students will also have the opportunity to display artwork and perform at our Art Shows or in "The Storefront."

Bezael Project

College age youth have the opportunity to spend a summer set apart for the Lord in the city. They receive Christian formation and share life while serving Detroit's youth through EDIFYOUTH and the StreetTeam Leadership Program, as well as the Bezael Project after-school program and Vacation Bible School retreats.

In collaboration with Cornerstone Schools throughout the city of Detroit, DSO interns receive the opportunity to assist pre-K through 8th grade teachers with their regular summer lessons and conduct an exciting Vacation Bible School for students. In the autumn and spring this program conducts retreats for Cornerstone Middle School.

This two month summer program provides Detroit teens with mentoring, job training, summer work, outdoor adventures, and leadership development. It also offers interns a very formative and unforgettable leadership experience.

"Realizing our identity as children of God we shall seek to live our faith each day in a practical way." This is the foundation of our youth group, "Gospel Lords." A core group of youth help to plan, organize, and conduct larger youth meetings with teachings from guest speakers, worship, community service, and fun-nights out. This group encourages youth to discover God's purpose for their lives. Many of these youth also take part in the YouthWorks drama team.

GOSPEL LORDS

Please consider becoming a mission partner of YouthWorks-Detroit. God is doing amazing things to change many lives here in Detroit, and you can be a part of it. YouthWorks-Detroit relies on the Lord's provision of financial and other resources through his people. Being a mission partner can include contributing financially, but may also involve volunteering, offering in-kind contributions, or best of all—praying! Please PRAY for this ministry and the work the Lord is about here. We sincerely believe that prayer is the best thing anybody can give, because when you pray, the Lord answers!

To inquire about any of our programs, needs, or opportunities, please contact Joshua Rock at: 313.304.2966 or jar@youthworks-detroit.org
